When you do not speak, please mute your microphone.

Code of conduct -2

- *Zoom also has a chat feature. It allows you to either send a public message to all participants or a private message to one person. To enable the chat, press chat button in the ribbon between the functions “polls” and “share screen”.*
- *To request the floor, please send a chat message indicating ‘floor please’ to everyone. The chair will then indicate when you can take the floor. Alternatively you can type your question in the chat box and this will be taken by the chair to the speaker*
- *Speak slowly, the connection can have a delay in the transmission.*

Please enjoy the workshop 😊
