

Welcome to the 13th Annual Workshop of the National Reference Laboratories for Crustacean Diseases

DTU
1st June 2022

Programme for the

*13th Annual Workshop of the National Reference
Laboratories for Crustacean Diseases*

1st of June 2022

National Institute of Aquatic Resources
Technical University of Denmark
2800 Kgs. Lyngby, Denmark

13th Annual Workshop for NRL's for Crustacean Diseases

- **First mixed physical and online workshop**
- **29 participants in the auditorium at DTU (10 from Denmark)**
- **44 online participants**
- **33 countries represented! Almost all EU member states. Colleagues from Australia, South Korea, Iran**

The program for to day I

SESSION I: Update on EU listed crustacean diseases and their control

Chair: Lone Madsen and minutes: Morten Schiøtt

09:40 – 10:00 Surveillance and diagnostics of crustacean diseases in Europe, *Morten Schiøtt*

10:00 – 10:20 Recent advances on WSSV experimental infection models, *IMAQUA*

Wednesday June 1st

Annual Workshop of the National Reference Laboratories for Crustacean Diseases

9.30 – 9.40 Welcome and announcement
Morten Schiøtt and Niels Jørgen Olesen

SESSION I: Update on EU listed crustacean diseases and their control

Chair: Lone Madsen and minutes: Morten Schiøtt

09:40 – 10:00 Surveillance and diagnostics of crustacean diseases in Europe
Morten Schiøtt

10:00 – 10:20 Recent advances on WSSV experimental infection models
IMAQUA

SESSION II: Results from ongoing research on crustacean diseases

Chair: Morten Schiøtt and minutes Lone Madsen

10:20 – 10:40 OIE collaborating centre for emerging aquatic animal disease
Kelly Bateman

10:40 – 11:00 Telohania diagnostics
Tobia Pretto/Anna Aspan

11:00 – 11:20 Update on the Irish National Crayfish Plague Surveillance Programme
Fiona Swords

11:20 – 11:40 *Coffee break*

11:40 – 12:00 The use of essential oils to combat vibriosis in crustacean larviculture
Peter Bossier

12:00 – 12:20 Shrimp production in Europe & diversity of potential pathogenic bacteria in digestive tracts of shrimp
Yustian Rovi Alfiansah

12:20 – 12:40 Optimization of a qPCR procedure for detection of IHNV in shrimp
IMAQUA

SESSION II: Update from the EURL for crustacean diseases

Chair: Niccolò Vendramin and minutes Argelia Cuenca

12:40 – 13:00 EURL proficiency test for crustacean diseases 2022
Morten Schiøtt

13:00 – 13:20 EURL Work done in 2021, plan for 2022 and ideas and plans for 2023
Niels Jørgen Olesen
Next meeting and end of 13th Annual Workshop
Niels Jørgen Olesen

End of meeting

The 13th Annual Workshop of the National Reference Laboratories for Crustacean Diseases. Kgs. Lyngby, Denmark, 1st of June 2022

The program for to day II

SESSION II: Results from ongoing research on crustacean diseases

Chair: Morten Schiøtt and minutes Lone Madsen

10:20 – 10:40 **OIE collaborating centre for emerging aquatic animal disease**

Kelly Bateman

10:40 – 11:00 **Telohania diagnostics**

Tobia Pretto/Anna Aspan

11:00 – 11:20 **Update on the Irish National Crayfish Plague Surveillance Programme , Fiona Swords**

11:20 – 11:40 *Coffee break*

11:40 – 12:00 **The use of essential oils to combat vibriosis in crustacean larviculture, Peter Bossier**

12:00 – 12:20 **Shrimp production in Europe & diversity of potential pathogenic bacteria in digestive tracts of shrimp , Yustian Rovi Alfiansah**

12:20 – 12:40 **Optimization of a qPCR procedure for detection of IHHNV in shrimp, IMAQUA**

Wednesday June 1st

Annual Workshop of the National Reference Laboratories for Crustacean Diseases

9.30 – 9.40 Welcome and announcement
Morten Schiøtt and Niels Jørgen Olesen

SESSION I: Update on EU listed crustacean diseases and their control

End of meeting

Practical announcements

- 1. Evaluation form**
- 2. We have not arranged any transport to the city/airport after the workshop**

Photo session

- This year we will have two photo sessions trying to take a photo of all present on Zoom, please turn on your video and 😊 right after this introduction.
- We will take a photo of all of you in the room during the coffee brake.
- For GDPR reasons we have to ask all of you if you have any problems if this photo is included in the report from the workshop.

Please enjoy the workshop 😊
