END OF FISH WORKSHOP

25th Annual Workshop

Practical announcements!

1- *This year no printed folder , a .pdf booklet has been shipped. It contains :*

- *Program*
- *List of participants (due to last minute registration, some might miss)*
- *Abstracts*

2- *Code of conduct for the workshop*

Please note that due to limited capacity of data transfer, we might use audio only, except for the chair/speaker. But in order to keep a more interactive communication and presence this year we ask you NOT to disable your video camera

But important: When you do not speak, please mute your microphone.

Code of conduct -2

- *Zoom also has a chat feature. It allows you to either send a public message to all participants or a private message to one person. To enable the chat, press chat button in the ribbon between the functions “polls” and “share screen”.*
- *To request the floor, please send a chat message indicating ‘floor please’ to everyone. The chair will then indicate when you can take the floor. Alternatively you can type your question in the chat box and this will be taken by the chair to the speaker*
- *Speak slowly, the connection can have a delay in the transmission.*

Photo session

- This year we will try to take a photo of all of us on Zoom, please turn on your video and  right after this introduction.
- For GDPR reasons we have to ask all of you if you have any problems if this photo is included in the report from the workshop.

Please enjoy the workshop 😊
